## ANNUAL EDUCATION CONFERENCE

# CALL OUT FOR SPEAKERS

We are thrilled to announce that preparations for the 45th Annual Education Conference for 2024 are in full swing, and we're on the lookout for dynamic speakers to elevate our event to new heights! The theme for this year is Innovations in Healthcare Quality.

### GUIDELINES FOR SPEAKERS

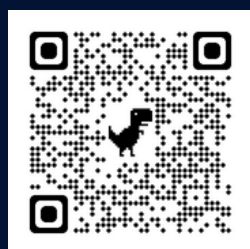

InAHQ is particularly interested in presentations that highlight successful multi-disciplinary collaborations, innovative concepts and projects, and emerging technology demonstrations. The goal is to provide the participants with the necessary information, tools, resources, and best practice models for improving health care quality in times of change.

### PRESENTATION TARGET AUDIENCE

- Interdisciplinary Healthcare Team: Physicians, Nursing Clinicians, Case Management, Quality Professionals, Risk Management, Health Information Management, Data Mgmt., & Outcomes
- Administration: CEO, CFO, Nursing Administration, & Quality Consultation
- One or more healthcare settings- inpatient, outpatient, ambulatory, behavioral health, hospice, etc.
- Board members and other leadership of healthcare organizations
- Students/Learners

### SUBMISSIONS

Submit your application using the attached form to [InAHQEducation@gmail.com](mailto:InAHQEducation@gmail.com) or by using the QR Code which takes you directly to a Google Form Application.

The deadline for application submission is January 31, 2024. Please contact the education committee at [InAHQEducation@gmail.com](mailto:InAHQEducation@gmail.com) with any questions you may have.

### SUBMISSION EVALUATION

Submissions will be evaluated based on how your presentation addresses some or all of these key areas:

- Does it relate to the target audience?
- Can the model presented be replicated?
- Does it present new ideas and/ or new technologies?
- Does it demonstrate multi-disciplinary collaboration to improve patient outcomes?
- How does it fit in with the changing health care landscape?

### InAHQ is accepting presentation proposals in the following areas:
